\*The No Cost Refinance is subject to the refinancing of an outstanding loan originated by NFM Lending that is secured by the same property upon which that borrower previously received from NFM Lending. No Cost Refinance is non-transferable and does not apply to loans obtained to purchase a new property, new loans that result in the creation of a separate lien on the current property (i.e., a "home equity loan"), renovation loans, bond loan programs, down payment assistance programs or personal loans (i.e., loans that are not secured by the property). The No Cost Refinance may only be used by submitting an application directly to NFM Lending once six satisfactory mortgage payments have been made. Offers vary and are subject to change without notice. Refinancing an existing loan may result in the total finance charges being higher over the life of the loan.
